Information regarding VET Assessment:

On successful completion of Scouts Australia Adult Training & Development modules in Adventurous Activities, candidates may apply to the Scouts Australia Institute of Training (SAIT - RTO # 5443) for Recognition of Prior Learning (RPL) for units of competence from the SIS10 Sport, Fitness and Recreation Training Package.

Candidates will need to request an RPL enrolment form from their Course Leader/Instructor/Assessor, who will provide advice about enrolment. The RPL assessment process will normally occur when sufficient modules have been completed to provide evidence towards Guide and/or Instructor Skill Sets, or for full qualifications at the Certificate II, Certificate III and/or Certificate IV levels.

Successful completion of the four modules included in the Scout Canoeing Course/Level 2 Canoeing, may provide evidence towards the RPL of the following units of competence:

- PUAOPE002B: Operate communications systems and equipment
- SISOCNE201A: Demonstrate simple canoeing skills
- **SISOCNE202A**: Perform deep water rescues
- SISOCNE303A: Apply canoeing skills
- SISONAV201A: Demonstrate navigation skills in a controlled environment
- SISOOPS202A: Use and maintain a temporary or overnight site

Assessment 3: Evaluation checklist (summative) – Applying canoeing skills

Completed by SELF, PEER and GUIDE/SUPERVISOR

- Third-party reports from a peer and supervisor detailing performance.
- Observation of safe participation and applying canoeing skills
- Seek advice and feedback from others to improve skills and ensure safety of self and group
- Evaluate and reflect on own performance to identify strengths, weaknesses and areas that need improvement

You should rate yourself for each of the following areas using the 6-point rating scale below. Also ask a peer who also participated in your instructional session to rate your performance in these areas as well. A supervisor should also rate you as well. You should discuss areas where you need to improve.
