

# THRILLS & SKILLS CAMP

## Junior Service Leaders (JSLs)

### JSL ROLES

As a JSL, your role will be to assist with activities as needed, including:

- Supporting and guiding Joeys and Cubs through their adventures (because we all know they'll have questions – a lot of questions).
- Ensuring the Joeys and Cubs are engaged and safe, which may include a fair amount of convincing them that the water isn't *that* cold.
- Helping Leaders as directed – from keeping things running smoothly to keeping them caffeinated!

It's all part of the fun – and a great way to earn some *serious* camp cred!

### Additional Tasks

JSLs may also be asked to help with extra tasks::

- Friday night - assist with check-ins, and camp set-up.
- Saturday night - assist with set-up for the outdoor movie.
- Sunday - help with camp pack-up.

### QUESTIONS OR CONCERNS

Visit us at HQ and we will point you in the right direction or run interference if needed.

### THE BASICS

#### Camping

JSLs will have their own camping area.  
Lights out at 10.30pm.

#### Catering

JSLs can choose to either join their home groups for meals or self-cater.  
Saturday night, we'll provide a special treat in the Training Centre after dinner.

#### Bathrooms

JSLs should use the main toilet block for toilets and showers. Just make sure you take a buddy - Joeys have been known to bite!

#### Medications

Medications should be handed to Leaders in your home Group to be administered and for safe-keeping.

#### Special Activities

As a thank-you for your help, we've planned some activities for you on Saturday night.
